## STAINLESS STEEL PRODUCTS - STANDARD AND CUSTOM

Rioped offers many products in attractive and durable stainless steel. As examples please see: R213 R215 R219 R244 R247 R271 R272 R273 R284 R305 and R306 among many others. Beyond that we can supply other collection boxes, other collection boxes, drop boxes and deposit boxes in popular and often demanded stainless steel. Furthermore, we can quote your requirements for custom stainless steel products and will work with you from conception to shipment to be sure you get what you want. Please call us with whatever stainless steel project you might be working on now or down the road. We would love to hear from you.
