WE HAVE THE BEST SOLUTION FOR ALL YOUR MAILBOX PROBLEMS

SERIES 1000 STAINLESS STEEL VERTICAL MAILBOXES

Riopedel Model 1000 has helped Canada Post deliver mail to Canadians since 1960. It is by far the most widespread and popular multi-unit mailboxes in the Canada. The M1000 combines the beauty and durability of polished stainless steel. Many changes have been made over the years making them more functional and responsive to current and changing demands. Popular options like parcel boxes, push buttons, letter and card slots, security brackets and weatherproof locks have been added. A wide array of models like, semi-recessed, interior and exterior surface mounted, pedestal mounted and hi-riser units are now available. Gang sizes still go from 1 to 8 doors and 6 to 16 for the hi-riser models. With this kind of history behind the Model 1000 you can have every confidence in choosing the Riopedel Model 1000 for your apartment or condominium building. Walk into the entrance of most buildings. Chances are you will see Riopedel M1000 boxes.
